<b>Application:</b> <small>(initial usage, current usage, protocol)</small>	Flush eye with 3-4 squirts

**Comments:**

"I used this product for pink eye. We use it on calves, cows and bulls, and we have good results. We use this for reduction of redness, reduction of discharge, and pain and swelling. We are very happy to use this product."

Ruben Lopez

### Immediate Acting, One-Step Wound & Infection Care

Vetericyn animal wellness products are innovative topical solutions for the care of wounds, infections and irritations caused by bacteria, viruses, fungi or spores. This steroid-free, antibiotic-free, no-rinse solution is non-toxic. Made up of compounds similar to those produced by the animal's own immune system, Vetericyn will not harm healthy tissue. Vetericyn products are manufactured within an appropriate physiological pH range so they will not sting when applied. This product, in solution, kills 99.999% of bacteria, viruses, fungi and spores including E.coli, Staph (MRSA), Strep, Moraxella bovis, Pasteurella, Actinomyces and Pseudomonas aeruginosa. Tests free for competitive animals.
