Not following these formatting guidelines will result in disqualification.

- 1. Short Answer** – your answers to this question must be no more than 250 words: How do you plan to contribute to advancing veterinary science or agriculture through your career or studies?
- 2. Long Answer** – your answer to this question must not exceed one page. As the global population continues to grow, the demand for safe, nutritious, and sustainable food production will only increase. How do you think advancements in veterinary science and modern agricultural practices can address these challenges to feed the world while maintaining animal health, welfare, and environmental conditions? Consider the roles of innovation, policy, and education in overcoming these challenges.

Vetericyn (Innovacyn, Inc.) has the ultimate authority to amend any of the above rules to ensure fairness in the awarding of the scholarships. Any questions regarding the scholarships should be addressed in writing to Vetericyn Scholarship, 3546 N. Riverside Ave., Rialto, CA 92377 or via email to customerservice@innovacyn.com with 2025 Scholarship in the subject line.
